Spring	CE0853	Environmental Hydraulics*	5	http://www.civ.uniwa.gr/en/course/environmental-hydraulics/	^n/a	^n/a
Spring	CE1010	Diploma Thesis II	20	prior communication with faculty member necessary		

*** Modules currently provided by Adjunct Tutors - Availability is tentative - Please communicate with the Dept Coordinator, Prof. M. Valavanides**

Note

Incoming students wishing to follow courses in the Dept. of Civil Eng. should prove a **competency level in English Language** equivalent to **B2** (CEFR).

A Level B2 user can communicate easily and spontaneously in a clear and detailed manner. This is not yet an experienced speaker level, but a B2 user is able to understand and be understood in most situations.

See Common European Framework of Reference for Languages (CEFR),

<https://www.coe.int/en/web/common-european-framework-reference-languages/level-descriptions>.
