

Online Health Literacy Webinar

BREAKING DOWN SILOS BETWEEN EDUCATION AND HEALTH THROUGH HEALTH LITERACY

Thursday, May 16th 2024

16:00 – 17:00h CET

PROGRAMME

In this webinar we will focus on breaking down the silos between health and education by addressing health literacy, a topic highly relevant to both sectors. We will have two speakers presenting their most recent research.

Moderator: Dr Catherine Jenkins (London South Bank University)

- 16:00h *Welcome and introduction*
- 16:05h *BLISS: Presenting the DigComp-based digital health literacy curriculum*
Lisa Stauch, M. Sc., TU Munich, School of Medicine and Health, WHO CC Health Literacy, Germany
- 16:30h *Effectiveness of a health promotion intervention for vulnerable schoolchildren and families (BeE-school): A cluster-randomized trial, Prof Dr Rafaela Rosario, University of Minho, PT*
- 16:55h *Wrap-up*
